LAKNAM LAKNGOENCHAI

Business Development & FMCG Associate

PROFILE

Business development professional with hands-on experience in market research, consumer insights, and brand development within the haircare and beauty industry. Completed two internships building BD pipelines and conducting large-scale consumer studies — including an 800-person survey that directly informed product strategy presented to executive leadership. Fluent in Thai, English, and German, with international academic experience across Europe. Targeting a Management Trainee role where commercial rigour and cross-cultural range can drive real brand growth.

EXPERIENCE

Business Development Internship | July – September 2025

ING CK (Haircare & Beauty Startup), Bangkok

- Led the development of a new haircare brand, overseeing industry analysis, market and competitor research
- Conducted customer insights through surveys (Google Forms, 800 people) and in-depth face-to-face interviews (20 interviews), created reports, and presented to CEO
- Benchmarked international and domestic competitors (FMCG, Derma brands) to evaluate product formulations, pricing strategies, distribution channels, and consumer engagement
- Supported international market expansion; identified and reached potential overseas distributors to expand market presence
- Synthesised research findings into an executive-ready brand proposal, contributing to the go-to-market framework for the new haircare line

Exchange Program | April – August 2024

University of Tübingen, Germany

- Completed a competitive academic exchange at Eberhard Karls Universität Tübingen, deepening cross-cultural fluency and international business perspective
- Selected as student representative for an official study delegation to Brussels, Belgium, visiting the United Nations and NATO headquarters
- Chosen to represent Thai students at Tübingen International Day, delivering a structured presentation on Thai education and culture to a multinational academic audience

Business Development Internship | July – September 2023

Brilliant Performance, Bangkok (Maritime Electronic Equipment)

- Conducted market research and competitor analysis to identify business growth opportunities
- Assisted in developing sales strategies and partnership initiatives to expand customer base
- Supported client relationship management by preparing product and service presentations and proposals

Cultural Event Organiser | 2024

Mahidol University International College

- Organised and coordinated a cultural event, promoting diversity and engagement among students
- Researched a special cultural issue and presented findings to participants
- Ensured smooth event flow, enhancing awareness and community participation

Volunteer | 2023

7th International Conference on Language and Education

- Managed logistics for guest speakers, ensuring smooth session transitions
- Delivered a presentation on attitudes toward the Thai education system, analysing key perspectives and proposing improvements
- Engaged with international educators and policymakers, fostering discussions on education reform
