# LAKNAM LAKNGOENCHAI

Business Development & FMCG Associate

## PROFILE

Business development specialist who turns consumer data into executive-level decisions. Led an 800-respondent research initiative that shaped a CEO-facing brand launch strategy at a haircare startup. Trilingual in Thai, English, and German, with international academic experience across Europe. Targeting a Management Trainee role in FMCG or beauty where commercial rigour and cross-cultural range can drive real brand growth.

## EXPERIENCE

**Business Development Intern** | July – September 2025  
*ING CK — Haircare & Beauty Startup, Bangkok*

- Drove consumer research for a new haircare brand launch, designing an 800-respondent survey and 20 in-depth interviews; synthesised insights into a strategic report presented directly to the CEO, supporting the brand's advancement to launch-ready status.
- Benchmarked 10+ international and domestic competitors (FMCG & Derma) across product formulation, pricing, and distribution; identified whitespace opportunities in the premium derma segment.
- Initiated outreach to 15+ potential overseas distributors across Southeast Asia; built a pipeline of interested partners to support international market expansion.

**Academic Exchange Program** | April – August 2024  
*Eberhard Karls Universität Tübingen, Germany*

- Selected as student representative for an official delegation to Brussels, Belgium, visiting the United Nations and NATO headquarters.
- Chosen to represent Thai students at Tübingen International Day, delivering a structured presentation on Thai education and culture to a multinational academic audience.

**Business Development Intern** | July – September 2023  
*Brilliant Performance — Maritime Electronic Equipment, Bangkok*

- Mapped the maritime electronics competitive landscape, identifying underserved segments and growth opportunities for leadership review.
- Supported client relationship management by preparing product presentations and service proposals that enabled new business outreach.

**Cultural Event Organiser** | 2024  
*Mahidol University International College*

- Organised a campus cultural event from concept to execution, managing cross-functional coordination and day-of logistics.
- Researched and presented a cultural topic, facilitating engagement among an international student audience.

**Volunteer — Event Coordinator** | 2023  
*7th International Conference on Language and Education, Mahidol University*

- Managed logistics and speaker transitions for an international conference attended by global educators and policymakers.
- Delivered a research presentation analysing attitudes toward Thailand's education system to an international academic audience.

## INTERESTS

**Entrepreneurship:** Active interest in FMCG and consumer brand ventures, with ongoing market validation   **Golf:** Regular play with business clients and partners   **Networking:** Building professional connections through industry events and community activities
